We support the work of.....

HEADING HOME MINISTRIES UK

Heading Home Ministries is a Christian based organization focused on providing a range of services to people whose lives are being destroyed because of their addiction to drugs and/or alcohol. Our objective is to establish a number of Rehabilitation facilities and Moving On homes throughout Wales that provide a range of services aimed at changing lives for the better forever. This means not only providing rehabilitation services for addicts themselves but also preventative services for vulnerable members of society who may be seduced into a life of addiction.

CHEPSTOW STREET PASTORS

Street Pastors are trained volunteers from local churches who care about their community. They patrol in teams of men and women, usually from 10pm to 3am on a Saturday night, to care for, listen to and help people who are out on the streets.

CHEPSTOW FOODBANK

Foodbanks help prevent crime, housing loss, family breakdown and mental health problems. A simple box of food makes a big difference. All food is donated by the public and sorted by volunteers. Frontline care professionals such as doctors and social workers identify people in crisis and issue a food voucher. Clients receive three days of nutritionally balanced, non-perishable food in exchange for their food voucher. Foodbanks also make time to chat and to signpost clients to other helpful services.

ELDERLY PEOPLE – CARE HOME SERVICES

At Christmas and Easter, we take an informal service to the residents of our care homes. Why not join us for song and prayer?

LUNCH CLUB

Each Thursday a team of volunteers prepare and serve up to 40 elderly local people a 3-course home cooked meal at the Methodist Church Hall. Apart from the happy "clients" and job satisfaction, there is always plenty of chat and laughter in the kitchen during preparation, serving and clearing up! Why not join the team of volunteers or pop in to register a place for lunch?

THE BESOM

The Besom helps people make a difference. It provides a bridge between those who want to give time, money, things or skills and those who are in need. It ensures what is given is used effectively. Poverty, isolation, abuse, ill health, injustice, homelessness: we all see the sharp inequalities of life around us and the devastating impacts they have on people's lives. Many of us want to do something, to get involved but we don't always know how. The Besom exists to help you make a difference to the lives of others and to make it easy for you to do so.

SOUL FUSION

A fortnightly Youth Worship Event. We want to create a space for Christian Young people (aimed at 14+ but we don't turn others away) to get together and worship God, grow as disciples, disciplers and leaders. We want to create a platform where they can shape what happens, be involved in developing it, have great fellowship and reach the potential that God has set inside of them.
